

Filing an Ethics Complaint against a REALTOR® is a time consuming process. With the Citation System, respondents can elect to avoid a lengthy hearing process when a REALTOR® or a member of public files a complaint against them

HOW THE CITATION SYSTEM WORKS

- A REALTOR® or member of the public would file a complaint in the customary manner
- If the Grievance Committee decides that the Articles cited in the complaint make the case eligible for the Citation System, the respondent will be notified and given ten (10) days to elect to participate in the Citation System or request an Ethics Hearing.
- If the respondent agrees to the Citation System, he/she would pay the standard pre-set fine associated with that article.
- Included in this brochure is a list of violations that are eligible for this process.

➤ A REALTOR® can only take advantage of the citation system once for each specific violation. If the public or another REALTOR® files a complaint for the same violation the REALTOR® must participate in the hearing process.

➤ Any fines paid through the citation system will be deposited into the Board education fund.

CITATION SYSTEM FOR CODE OF ETHICS VIOLATIONS

NWIA's ongoing effort to increase professionalism in the marketplace for our membership, streamline the ethics hearing process and protect the interests of the general public.

BACKGROUND

NWIA's Professional Standards and Grievance Committee is charged with upholding the highest principles of the Association and ensuring that members adhere to the REALTOR® Code of Ethics. Over the years, members have sought ways to avoid time-consuming ethics complaint filings and hearings. In response, NWIA introduced a new Citation System.

WHY SHOULD A RESPONDENT ELECT TO USE THIS SYSTEM?

- For Respondents, electing the citation system avoids an uncomfortable and often time-consuming hearing process while still respecting their due process rights since they may elect NOT to use the Citation System and proceed with a full hearing. The Citation System is as confidential as the hearing process
- For Complainants, there may be less time involved, yet justice will be served, thereby protecting the industry from unethical behavior. However, if the respondent elects to have a hearing, the Complainant would need to be prepared to attend.
